

Camper Drug and Alcohol Policy

Blue Mountain Ranch campers are not allowed to smoke, chew tobacco, use alcohol or non-prescription drugs in any form. If your child has any one of these habits, it would be better that he or she choose another camp. Please check your child's footlocker before they leave for camp. Any of these items found in a camper's possession will be confiscated and the child will be sent home. There will be no return of camp fee. Parents will be notified when to pick child up at the airport. If we discover a child in possession AND distributing any of the above items, we will contact the police. Our policy is for the safety and protection of all our campers.
