

Camper Packing Guidelines

BE SURE TO MARK ALL POSSESSIONS WITH CAMPER NAME!

We suggest your camper packs as many old clothes and linens as possible since they and camp is hard on these things AND some things may get lost. Keep in mind the cool Colorado climate; warm, sunny days and chilly (sometimes 40 degree) nights! Also keep in mind that laundry is done ONCE A WEEK so pack enough extra for your child while laundry is out (2-3 days).

Following is a suggested list of items to pack for boy and girl campers

BE SURE TO MARK ALL POSSESSIONS WITH CAMPER NAME!

We again request that you monitor the clothing that your child bring to camp and make sure that it is camp appropriate!

It is a good idea to make a list of all possessions and tape it inside top of footlocker for checking when camper packs to return home. When camper gets home, notify us at once if something is missing. We will do our best to locate any lost items. All unclaimed articles will be donated to the Red Bud Reservation in South Dakota within 60 days after the close of camp. **Please don't send valuable or precious items to camp!**
