### Missing Our Campers!

Howdy Campers and Friends!  
We guess this finds all of you back in school! It's crazy how the school years differ from state to state and town to town. It's enough to make us wonder!! We hope you are all back in the swing of things but keeping the memories of your summer with us in the back of your mind!! We are certainly missing all of you and it is quiet, TOO quiet around BMR!! Especially since TIM GRAF just moved to Houston taking GUS with him!! We'll see how Gus does in that hot climate!! Maybe he will love it.

Some beavers moved in at the lake and they have the water level there really high – way up on the big rock!!

BOB and SUZIE just returned from a trip to Fredericksburg, TX for a wedding. Man was it hot!!! But beautiful! We enjoyed all the German food and had fun with the wedding festivities. Nate Garcia, the groom, was one of Bob's track athletes and Bob coached him in the Olympic Trials a few years back.

DAVE and LIZ, along with HARPER and EMERSON just returned from a short trip to Telluride for the long weekend. They stayed with us on their way back home to Colorado Springs. Emerson is growing like a weed, as they say!!

### Some newsy items

We are in the process of mailing things home that campers left with us. If you are missing something that you would like to have back, please email us at [camp@bluemountainranch.com](mailto:camp@bluemountainranch.com) so we can try to find it.

Also, we just got an order of hooded sweatshirts and spirit shirts in. I know there were some of you who wanted those items and we were out of some sizes. If you want one, you can order online on the website or you can email us at the same address above and ask us to send them to you. We also have some tee shirts from this summer (mostly smaller sizes) if anyone would like one of those, and we have some vintage sweatshirts that are powder blue with navy blue writing that we are going to be selling as well.

MICHELLE AIELLO has been hard at work on the yearbook, and it will be finished soon. We included a form with this letter for you to order this summer's book!!

Please visit and like our Facebook page for 2016 dates!! Let us hear from you!!
