Drug and Alcohol Policy

Blue Mountain Ranch campers are not allowed to smoke, chew tobacco, and use alcohol or non-prescription drugs in any form. If your child has any of these habits, it would be better that he/she choose another camp. Please check your child's luggage before they leave for camp. Any of these items found in a camper's possession will be confiscated and the child will be sent home. There will be no return of camp fee. Parents will be notified if a child is coming home, will be responsible for any change of flight fees, and contacted as to when to pick their child up at the airport. If we discover a child in possession AND distributing any of the above items, we will contact the police. Our policy is for the safety and protection of all our campers.
